

Hello,

Welcome to the HEUG! My name is [Name] and I've been a member with the HEUG for [number] of years. I wanted to introduce myself because I know it can be intimidating joining a new organization and sometimes difficult to navigate until you get the hang of it. I'm here to help be your personal guide and answer any questions you may have.

As you get started, make sure to join the group(s) in your area of interest(s) this will give you access to the forums so you can join the conversations.

To join a group:

- 1) Select the *Area of Interest* tab from the menu bar and select your area of interest
- 2) Click *Join* next to the area of your choosing

Also check out the *Events* tab to see all the upcoming Events and E-Academy Webinars.

Don't forget, I'm here to help, so please let me know if you need any guidance or would like to set up a virtual meeting to learn more about the HEUG.

Best wishes,
